

ONTARIO CHILD HEALTH SUPPORT UNIT
better research - better care - better outcomes

The Ontario Child Health SUPPORT Unit (OCHSU) presents....

Patient Engagement in Child Health Research

Thursday April 6, 2017 09:00-12:15

Peter Gilgan Centre for Research and Learning
Auditorium, 3rd floor; 686 Bay Street, Toronto

Featuring:

- Plenary Presentation: ***Engaging and Partnering with Patients and Families in Health Research: Concepts, Evidence, Challenges, and Opportunities.***
Julia Abelson, Professor, Centre for Health Economics and Policy Analysis, McMaster University.
- Interactive Panel Discussion: ***How to Engage Patients and Families in Child Health Research.***

Attendees will gain an understanding of Patient Engagement in Health Research and be introduced to resources and strategies to effectively engage and partner with patients and families.

For more information contact Donna Wilkes, OCHSU Coordinator,
416 813 7654 ext 203390; donna.wilkes@sickkids.ca

In collaboration with the Ontario SPOR SUPPORT Unit (OSSU)
